Business Overview

Abbott India Ltd is one of the leading multinational pharmaceutical companies in India and sells its products through independent distributors primarily within India.

Strengths

Consistently high return on equity above 20% demonstrates exceptional capital efficiency.
Strong free cash flow generation over 5 years signals healthy business fundamentals.
Net profit compounding above 20% over 5 years creates significant shareholder value.
Very high interest coverage ratio reflects negligible financial stress from debt servicing.
Earnings per share growing above 15% CAGR indicates strong earnings quality and compounding.

Risks

No significant financial weakness identified, however future performance should continue to be monitored.
