Business Overview

Bharat Heavy Electricals Limited is an Indian central public sector undertaking and the largest government-owned electrical/ industrial technology company.

Strengths

Business demonstrates stable financial performance and is suitable for continued monitoring.

Risks

Rising debt over the past 3 years suggests increasing financial leverage risk.
Return on capital employed below 10% suggests the business is not generating sufficient returns on invested capital.
Net debt exceeding three times operating profit indicates elevated financial leverage.
Revenue growing below 5% over five years suggests limited business momentum.
