Business Overview

DLF Ltd with its subsidiaries, associates and JVs is engaged in real estate development, from the identification and acquisition of land to planning, execution, construction and marketing of projects. It is also engaged in business of leasing, generation of power, provision of maintenance services, hospitality and recreational services which are related to the overall development of real estate business.

Strengths

Strong free cash flow generation over 5 years signals healthy business fundamentals.
Operating profit margin above 25% indicates strong pricing power and cost discipline.
Consistent dividend yield above 2% backed by positive free cash flow.
Return on equity improving for 3 consecutive years shows strengthening business quality.
Revenue growing slower than profits shows improving operating leverage and scale benefits.

Risks

Return on capital employed below 10% suggests the business is not generating sufficient returns on invested capital.
Revenue growing below 5% over five years suggests limited business momentum.
