Business Overview

Infosys Ltd provides consulting, technology, outsourcing and next-generation digital services to enable clients to execute strategies for their digital transformation

Strengths

Consistently high return on equity above 20% demonstrates exceptional capital efficiency.
Strong free cash flow generation over 5 years signals healthy business fundamentals.
Very high interest coverage ratio reflects negligible financial stress from debt servicing.
Consistent dividend yield above 2% backed by positive free cash flow.

Risks

Operating margins declining for 3 consecutive years suggest pricing or cost pressure.
Rising debt over the past 3 years suggests increasing financial leverage risk.
