Business Overview

Jindal Steel & Power Ltd is one of the India's leading steel producers with significant presence in sectors like mining and power generation. The group has global presence through subsidiaries, mainly in Australia, Botswana, Indonesia, Mauritius, Mozambique, Madagascar, Namibia, South Africa, Tanzania and Zambia

Strengths

Strong free cash flow generation over 5 years signals healthy business fundamentals.

Risks

Revenue contraction over 2 consecutive years indicates demand weakness or market share loss.
Rising debt over the past 3 years suggests increasing financial leverage risk.
Revenue growing below 5% over five years suggests limited business momentum.
