Business Overview

Jio Financial Services Ltd is an Indian financial services company, based in Mumbai. Originally a subsidiary of Reliance Industries, it was demerged as an independent entity and listed on the Indian stock exchanges in August 2023.

Strengths

Debt-free balance sheet provides financial flexibility and eliminates interest burden.
Operating profit margin above 25% indicates strong pricing power and cost discipline.
Very high interest coverage ratio reflects negligible financial stress from debt servicing.

Risks

Return on capital employed below 10% suggests the business is not generating sufficient returns on invested capital.
