Business Overview

NTPC Limited, formerly known as National Thermal Power Corporation, is an Indian central Public Sector Undertaking under the ownership of the Ministry of Power and the Government of India, who is engaged in the generation of electricity and other activities.

Strengths

Strong free cash flow generation over 5 years signals healthy business fundamentals.
Operating profit margin above 25% indicates strong pricing power and cost discipline.

Risks

Rising debt over the past 3 years suggests increasing financial leverage risk.
Net debt exceeding three times operating profit indicates elevated financial leverage.
